

Frequently Asked Questions

How much do Fiona's wedding cakes cost? Our wedding cakes start at \$5.00 per guest. The size & complexity of your design will determine the final price. We are happy to quote you a price after a consultation.

How do I set up a consultation (& how much does it cost)? We would love to meet with you at no cost or obligation! We schedule consultations Tuesday - Saturday from 10am - 5pm. If those times do not work for you & your fiancé, we'd be happy to work with your schedule. Call us at 970-530-2130 to schedule.

Where can I see examples of your previous cakes? You can view a gallery of our cakes at www.fionasdeli.com or you can stop by our deli at 1001 E. Harmony Road & look through our portfolio.

Can you replicate a cake if I bring in a picture? While we do not provide "photo machine" cakes, Fiona's skilled bakery team can create an artistic, hand-drawn interpretation of previously designed cakes. Our ultimate goal is to create a unique cake just for you, but pictures help us get a better idea of your preferred design.

Do you deliver cakes? Of course we deliver! There is a \$150.00 minimum order for delivery, & charges are based upon destination. We recommend that larger cakes be delivered to ensure safe transportation.
